WHAT MATTERS MOST?

The mission.

If you've been waiting for an opportunity to make a real difference in the world, this is your moment!

In 1888, a movement began in the hearts of a group of women in a church basement that has echoed down the generations to the present day. Since its inception, WMU has taken up the call to support Southern Baptist missions work around the world. And that support has resulted in raising millions of dollars, offering up an untold number of prayers, and inspiring wave upon wave of missions-minded individuals to share the gospel of Jesus Christ with the world.

Now, it's time to ask yourself, What matters most? For us at the WMU Foundation, what matters most is the ongoing work of WMU to make disciples of Jesus who live on mission. WMU doesn't receive any support from Cooperative Program giving. Nor do the sales of magazine subscriptions cover the cost of all the amazing work WMU does. Your support of the WMU Vision Fund helps make this work possible.

Every contribution, regardless of the size, plays a part in enabling WMU to sustain its day-to-day operations. This includes the production of missions

discipleship materials, managing compassion ministries, and providing leadership development opportunities that carry the mission forward for years to come.

Your support matters because it fuels initiatives that uplift and empower missionaries, helping them share the gospel effectively. It provides resources for training, education, and curriculum that equip and inspire the next generation of missionaries. It also allows WMU to support missionaries directly by providing free curriculum and resources and helps WMU sponsor yearly retreats for missionary kids!

Join us in celebrating 136 years of Christ-focused ministry through WMU. Make your gift to the WMU Vision Fund by May 14 to honor WMU's founding on May 14, 1888. In those early days, every WMU member was vital to the work of the movement. The same is true today. Your support matters because it makes a kingdom difference here and now.
