

Fueling the Mission, Transforming Lives

Since 1888, WMU has boldly pursued one God-given purpose: to equip every church member to pursue the Great Commission. Without intentional focus, even the most faithful churches can lose sight of the mission. That's why WMU exists—to ignite a passion for missions and enable each believer to discover his or her unique role in sharing the hope of Christ with a lost world.

For more than 137 years, WMU has been a steady voice calling every believer to make the Great Commission not just a message we support but a lifestyle we live. We know true discipleship involves both sound doctrine *and* a heart for missions. That's why our work centers on bringing God's mission back to the forefront where it belongs.

Through engaging, age-appropriate missions discipleship for preschoolers, children, students, and adults, WMU helps churches learn about missions, pray with purpose, serve with compassion, and give with joyful generosity. It's not just about programs—it's about transformation.

But we can't do this alone. The mission needs you. Your prayers, your support, and your generosity help fuel God's movement to shape lives and change eternities.

When you give, you become part of something bigger—something eternal. Your generosity is not just a donation; it's an investment in the kingdom. By supporting WMU through your gifts to the WMU Foundation, you help advance WMU's mission and its focus on missions discipleship, leadership development, and compassion-based outreach.

One powerful way to make an impact is through the Vision Fund. This fund fuels WMU's ongoing efforts to develop Christ-centered, biblically grounded resources that inspire, challenge, and equip believers of all ages. These tools don't just teach about missions—they awaken hearts to live out the mission.

And here's the best part: 100 percent of your gifts directly support WMU. Every dollar you give helps churches stay focused on what matters most: making disciples of all nations and sharing the hope of Jesus in their neighborhoods and around the world.

As you reflect on God's goodness this season and look ahead to a new year of possibility, would you prayerfully consider making a gift to—or becoming a monthly supporter of—the Vision Fund? Together, we can ensure the mission doesn't drift. Together, we can keep it the priority.
